## **Website for More Info**

<https://www.sfrecovery.org/recovery-rally/>

## **About the Event:**

This event is sponsored by area businesses and organizations to help bring awareness to the multitude of recovery resources available in our region. It is not a fundraiser or event for one organization, but designed to promote all organizations in the area, to reduce stigma around recovery, and to help promote wellness and activity for our community.

The event is completely free to attendees thanks to the support of our sponsors and donors.
